

# Arland Server

Site: [site.arland.me](https://site.arland.me)

IP: [play.arland.me](https://play.arland.me)

## Constantly Evolving

Your wish is our command! 70% of our server was built from suggestions by our players!

## Rank System

Level up with more EXP over time, and gain in-game money by discovering hidden features!

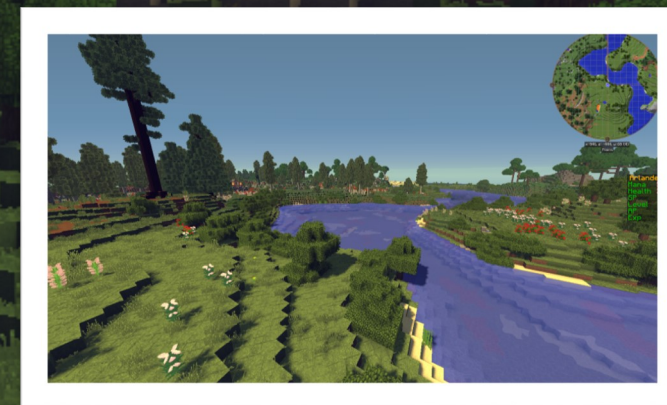

## The Players Matter Most

Arland is a server made for you to play! With plugins such as Essentials, Player-Vaults, and GriefPrevention, building in Minecraft has never been easier!

## Beauty Reinvented

With BiomeBundle, our server's world gen is made to be beautiful from the core. It adds in tons of new biomes, structures, and landscapes for you to explore!

## Friendly Community

Our community welcomes all players from around the world! We have a lively Discord server, and responsive staff ready to help if you have any questions at all.

## Bonus!

When you sign up for our server now, take advantage of our Beginner Offer and earn an additional 2x experience!
